GENERAL DESCRIPTION

Impact Church is an inclusive gathering of people who are committed to holistic salvation and doing Christ’s work. Impact Church persists in our God-given mandate to connect, pursue and build a community that smashes the status quo of what’s possible for and in our lives. We do church differently so that YOU can LIVE differently, remarkably beyond anyone’s imagination of what’s possible. Recently noted as one of the 100 fastest growing churches in the United States across all denominations, Impact is "Doing Church Differently"™!

Impact is a 12 year old church in the Atlanta area that serves approximately 2500 people each Sunday within three Worship Experiences and reaches an additional audience globally online. Impact is passionate about creativity that meets the needs of those familiar with the church world and those that are not. We seek to continue to bring people closer to Christ through unique worship and other opportunities that engage an inclusive gathering of people. While we currently perform live music from a variety of genres with a band and worship team, we see a future where we expand beyond our current format. We seek to share, teach and expose our attendees to the ministry of gospel music in a way that is exciting and fulfilling and that attracts new worshipers to Impact. We are seeking a

dynamic, out-of-the-box Worship Group (Vocalists and Instrumentalists) that is skilled in both technical and creative aspects of music ministry and that has a background in working with churches of our size and breadth experience a unique and identifiable sound and style.

This is initially planned to be a 6 month engagement.
